A Message from our President & CEO

Decades of compassion — those words perfectly describe Saint Simeon’s.

As I sit to write this letter I have just returned from having lunch with Residents — Bishop Cox, Mr. Dempster and Mr. Snow. Collectively these gentlemen span 25 years at Saint Simeon’s. Two of my colleagues, Karen Stansberry and Kathy Hinkle, joined us as well. Karen and Kathy are examples of Saint Simeon’s long tenured staff, 28 years and 20 years respectively. The lunch was a wonderful time of sharing about our lives across the many decades and especially recounting special times together at Saint Simeon’s.

One person who truly exemplifies decades of compassion at Saint Simeon’s is Kum Yon Jones. Kum Yon has been on staff for 37 years. She is loved by everyone — Residents, families, and staff. Kum Yon has a quiet, caring and humble manner that has touched the lives of generations. The following story depicts the essence of Kum Yon.

In late 2013 Mrs. Lois Gatchell was visiting Saint Simeon’s in preparation of making Saint Simeon’s her home. One of the first questions Mrs. Gatchell asked was “Is Kum Yon still here?” The answer was yes! During Mrs. Gatchell’s visit she and her daughter ran into Kum Yon. I’m told it was an emotional moment for everyone. You see, Kum Yon had cared for Mrs. Gatchell’s mother. Kum Yon had wonderful recollections and special memories of that time. As Mrs. Gatchell and her daughter were preparing to leave, Kum Yon said “Please come and let me take care of you.” Mrs. Gatchell replied, “That’s the best invitation I’ve ever gotten.” The story of Kum Yon is repeated for many of our staff, decades of devotion, decades of care.

In each Ambiance I mention the legacy of Saint Simeon’s. That legacy is centered on the fact that 56 years ago when Saint Simeon was founded compassion for seniors was the cornerstone. That legacy continues today because Saint Simeon’s Board of Trustees, through many decades, has never wavered in its dedication to the founder’s mission.

As I end this letter I think about the fact that 2016 is my 10th year at Saint Simeon’s. Not long in comparison to others! Saint Simeon’s grabbed my heart from the first moment I stepped on campus. I feel certain that many others, over five plus decades, feel the very same way.

Lindsay Hurley Fick
President/CEO, Saint Simeon’s

A Message from our Foundation Executive Director

Dear Friends,

A decade. There is probably not a portion of time with more significance than a decade. Significant in what a decade symbolizes, but wow, does a decade ever zoom.

At Saint Simeon’s, we have a Resident who has lived for ten decades and three years. When I imagine the amount of changes he has experienced since 1913, it is mind-boggling. It’s amazing to think of how 103 years can go by quickly when your life is full of love.

Saint Simeon’s is experiencing several decade celebrations this year. Western Days will celebrate its emerald anniversary, twenty annual Western Days celebrations! I hope you will join Phyllis and George Dotson, Chairs, for Western Days 2016: Decades of Compassion on September 13, 2016. The evening promises to be full of friendships that far exceed twenty years and new associations created through the Saint Simeon’s bond. Additionally, we will honor The Rt. Rev. Dr. Edward Konieczny for his ten years of vision as Bishop, The Episcopal Diocese of Oklahoma, and as Chairman of the Board, Saint Simeon’s Home Board of Trustees and as Chairman of the Board, Saint Simeon’s Foundation Board of Trustees. Lindsay Hurley Fick will also serve as an Honorary Chair as we celebrate her decade of leadership as Saint Simeon’s President and CEO.

Saint Simeon’s itself has nearly seven decades of compassionate care. Saint Simeon’s Foundation is now in its 15th year of “enhancing through philanthropy and stewardship the physical, social, and spiritual well-being of the Residents of Saint Simeon’s and their families.” All of these years culminate in creating a tradition of care, a legacy of generosity, and decades of compassion. I can’t think of a better reason for a celebration!

Carolyn Blair, Executive Director Saint Simeon’s Foundation
This issue features a Resident who has now been at Saint Simeon’s for one decade. Pat Perrin and her late husband, Paul, moved to Saint Simeon’s in April of 2006.

Before moving to Saint Simeon’s, the Perrins spent most of their lives in Houston. Pat and Paul both grew up in Wetumka, Okla., and both attended Oklahoma A&M College (now Oklahoma State University). After Paul’s graduation they moved to Houston, where he became an independent insurance agent. There they established their home, lovingly called the “P” Patch because of all their “P” names – Paul, Pat, and their children, Paula, Pam, Phil, and Patrick.

Pat was a stay-at-home mom and also enjoyed helping Paul with his insurance business. In her spare time, she volunteered at a hospital in Houston and grew roses in her garden. “They’re hard to grow in Houston, but I learned from my aunt, who had award-winning roses in Tulsa.”

Paul had a major stroke in 1998, and Pat was his caregiver until 2006. By that time, both of the Perrin’s daughters had married and moved to Tulsa. “They kept saying, ‘You’ve got to come to Tulsa.’ They came to visit Saint Simeon’s and said, ‘We’ve found the perfect place – you can live in the cottage and Dad can get the care he needs.’”

When the Perrins moved in, Pat would visit Paul from 10 a.m. to 7 p.m. daily. Paul passed away in 2013.

Pat loves her independent living cottage. “I love looking out my kitchen window and seeing the woods. I can see deer, squirrels, and birds.” Pat is active as a volunteer in the Saint Simeon’s Peggy V. Helmerich Library and loves good books, music, and especially good humor.

Pat said some of her highlights of a decade spent at Saint Simeon’s have been visits to tea rooms and the Tulsa Performing Arts Center. It also meant a lot to her when, after she had a fall last year, staff members from the Life Enrichment department visited her every day to bring her meals and chat with her. “It’s a very pleasant place.”
Saint Simeon’s Through the Decades

Saint Simeon’s has been providing Tulsans the highest quality of care for 56 years. We take a moment to look back at the difference decades of compassion have made.

1961
Saint Simeon’s Auxiliary is established. By year’s end, 300 people signed up to help.

1963-65
The board adopts plans for 34 additional Resident rooms, a larger dining room and kitchen, a laundry facility and an arts and crafts room.

1961
The Auxiliary has more than 400 members. Saint Simeon’s hires more staff to provide 24/7 care, and occupancy continues to grow.

1986
A full-time chaplain is added.

Residents relax outside of what is now known as Assisted Living Plus.

1960s
The vision of The Rev. Dr. Edward Eckel leads to the creation of Saint Simeon’s in 1960. Three women, all Episcopalians, and a Presbyterian gentleman are Saint Simeon’s first Residents. The first phase of Saint Simeon’s consists of 12 Resident rooms, a lounge, a kitchen and a dining room.

1970s

1977
An additional wing is completed. Saint Simeon’s serves 84 Residents. Saint Simeon’s demographics begin trending toward those needing infirmary care and away from the original concept of independent, active residential living.

1980s
Two additional wings, two duplexes, a new medical center/infirmary, chapel, common area and furnishings are added.

A Decade at Saint Simeon’s

Father Bill Holly, Saint Simeon’s beloved chaplain, celebrates 10 years at Saint Simeon’s this year.

Q: What has been your overall experience working here for 10 years, serving the Residents and families of Saint Simeon’s?
A: Saint Simeon’s has been and continues to be a wonderful experience for me in the exercise of ministry. As a priest in the Episcopal Church, I’ve served in many capacities since my ordination 32 years ago. Saint Simeon’s is a place where I have been able to bring all that I have learned and put it to use in the service our Residents and their families. The past 10 years have been a great joy in my life and I’m excited about each and every year!

Q: What is one of the fondest memories that comes to mind when you think of your 10 years at Saint Simeon’s?
A: There are so many! Perhaps the most powerful one took place recently. As a young priest, in the mid-1980’s, I began my education about working with an elderly population from a parishioner who was an experienced Registered Nurse. She developed programs at Saint Dunstan’s Church in Tulsa that served our own aging membership, and also began what we called at that time, Saint Dunstan’s Elder Daycare Center. Fast-forward 30-plus years: this same person who dedicated a good

deal of her life to the care of those who needed it in their latter years, herself, came to Saint Simeon’s to spend the end of her earthly pilgrimage receiving care from us. It was a powerful experience to provide care to the one who taught us how to give it!

Q: How has Saint Simeon’s changed and grown while you’ve been here?

A: Wow! Physically, it’s hard to see what it used to look like! My original office, along with the residences that were down the hall from it, is now a park! I spent the first four and three-quarter years in what we called “downstairs.” There have been renovations of HealthCare, MemoryCenter, and Assisted Living. The physical plant has grown and been updated. We have electronic medical records, meeting and conference rooms, beautiful grounds with trees galore, a butterfly garden and a host of other updates inside and out. However, what hasn’t changed is the heart of this place called Saint Simeon’s. It beats as beautifully for the Residents as it ever did. I am honored to be counted among those who make up that heart!

A DECADE AND COUNTING! These Residents have lived at Saint Simeon’s 10 or more years: (from left to right, top to bottom) Marie Millar, William Cox, Pat Perrin, Ruth Boone, and Patty Flint. Not pictured: Jane Wirick, Mary Jo Brainard, and Polly Pommier.
20 YEARS OF

Western Days!

This year, Saint Simeon's celebrates 20 years of our annual fundraiser, Western Days. Here is a timeline looking back at some of the highlights.

PRE 1996
The years leading up through 1996, the Saint Simeon's staff held an annual "Western Days" picnic and party for Residents, families and staff.

1996
Saint Simeon's Auxiliary, working with staff, turned the annual picnic into a small fundraiser. Net proceeds of $20,000 went towards privacy curtains, bed spreads and mini blinds in the Health Care Center. Western Days' original venue was a huge tent on the Saint Simeon's parking lot.

1998
Net proceeds of $40,000 are raised for tile in the Health Care Center and stained glass windows in the Common Room. Attendees total 250.

2004
The Wildcatter Blowout: Net proceeds of $212,000 are raised for Health Care Center common living area improvements, renovations to the dining areas in the Memory Center, large print books, aviary for Assisted Living and Health Care Residents, CD players, CDs and videos. Attendance is approximately 350.

2001
Ridin' the Rails to Ole Tulsey Town: Net proceeds of $46,000 are raised for a 14-passenger wheelchair accessible van.

2007
The Oil Patch Party of the Century: Net proceeds of $328,000 are raised to help furnish the $22 million Assisted Living and Wellness Centers project and Life Enrichment activities and services for Saint Simeon's and Adult Day Services participants. Attendance exceeds 500, and organizers realize that the event has outgrown the 15,000 square foot tent on Saint Simeon's grounds.
Honoring a Decade of Leadership

This year, Western Days 2016 will celebrate two special people as our Honorary Chairs: The Right Rev. Dr. Edward J. Konieczny, who is celebrating 10 years as the Bishop of the Episcopal Diocese of Oklahoma, and Lindsay Hurley Fick, who is celebrating 10 years as President and CEO of Saint Simeon’s. Here are their thoughts on the progress they have witnessed at Saint Simeon’s over the last decade.

“I have always found Saint Simeon’s to be a place that exemplifies and lives into the Gospel teaching of ‘loving thy neighbor.’ This is a place where persons sometimes facing the most vulnerable transitions of their lives are cared for and loved unconditionally. There exists a culture that flows from the highest office in administration, to caregivers, to those who maintain our extraordinary facilities, that our Residents come first. Their care, comfort, and well-being is of the highest priority. Grounded in the Love of the Gospel, shared through the Covenant of our Baptism, Residents are nurtured physically, emotionally, and spiritually.

— Bishop Ed Konieczny

“Over the past decade the vision and forward thinking of the Board of Trustees have advanced Saint Simeon’s services, as well as constructed or renovated almost the entire physical structure. The addition of the 60 apartment Dotson Family Assisted Living Center brought features and amenities that have enhanced the lives of Residents. That construction project included a state-of-the-art Wellness Center. The Wellness Center is a constant hub of activity with Residents from every level of care benefitting from restorative exercise and the warm water therapy pool.

The addition of Electronic Medical Records brought improved effectiveness and efficiency for our staff and medical providers. Through the generosity of donors, Saint Simeon’s grounds remind you of Woodward Park (a quote from a visitor), replete with hundreds of trees. The renovation of the Memory Center and the Health Care Center brought each a new and energized environment. The past ten years has certainly been full of many blessings.

— Lindsay Hurley Fick
Friends of Saint Simeon's enjoyed a splendid evening at The Polo Grill on Sunday, March 20 called "A Grand Evening," a special fundraiser in which patrons donated "a grand" to go toward new beds in the Memory Center.

Chef Robert Merrifield, Trustee, Saint Simeon’s Foundation, and his team at the Polo Grill prepared a splendid meal for the attendees. The seven-course menu centered on a Biblical theme and included items such as "Loaves and Fishes" Salad with Citrus Cured Arctic Char, Tenderloin Medallions "Trinity" with steaks marinated in Mushroom Jus, Oscar, and Three Peppercorn Melange, and a Chocolate Gran Mariner "Sunday Sundae." Each course was accompanied by a specially paired wine from Grgich Hills Estate.

The evening opened with remarks from Will Farrior, President, Saint Simeon’s Foundation and a prayer by Father Bob Wickizer which focused on the idea that Saint Simeon’s is a place that allows adult children to truly "honor (their) father and mother" (Ephesians 6:2). The event raised $35,100. George Dotson, Saint Simeon’s Home and Foundation Trustee, made remarks thanking Robert and Donna Merrifield and announcing that as a thank you, Saint Simeon’s will be dedicating a willow oak tree on their behalf.

George Dotson closed the evening with these lovely sentiments: "Father Bob Wickizer said it best this evening, 'We want the best for our parents.' Our thanks to Robert and Donna Merrifield and the Polo Grill Staff for the perfect pairing: Saint Simeon’s and the Polo Grill! It has been a Grand and memorable event!"
